

# Tea Order: Quality & Certifications Checklist

**Firsd Tea** wants to make sure the tea you purchase meets all the necessary criteria to fully comply with quality and safety standards.

Purchase of tea from a reputable vendor should include authentic documentation and information regarding:

## 1. Product Specification:

- a. Country of origin
- b. Storage conditions info/guidelines

## 2. Inspection Certificate (or COA) from a recognized 3rd party or the producing manufacturer:

- a. Lot #
- b. Production Date
- c. Contaminants assessment(s) including physical, chemical, and micro-biological contaminants
- d. Pesticide statements by lot - test report
- e. Radiation/Irradiation information

## 3. Ingredient/Nutrition Statement(s):

- a. Allergen information
- b. GMO information
- c. Gluten information
- d. Caffeine information

## 4. Kosher Certification

- (if applicable)

## 5. Organic Certificate

- (if applicable)

## 6. Fair Trade Certificate

- (if applicable)
