

OCO006 ORGANIC TIE KUAN YIN

Organic Tie Kuan Yin

Product Description

Organic Tie Kuan Yin oolong can be processed to varying degrees of oxidation and roasting, but Firsd Tea's organic tie kuan yin is considered a medium roast wulong. Tie Kuan Yin oolong is known for soft floral aromas, woody/roasted notes, a silken texture and light caramel sweetness.

Oolong teas like Organic Tie Kuan Yin have mild caffeine levels and contain antioxidant polyphenols and l-theanine amino acids.

Contains caffeine. Allergen free. Non-GMO.

Origin

Organic Tie Kuan Yin, also known as Tie Guan Yin wulong, originated in the Anxi area of Fujian Province.

Tasting Notes

Organic Tie Kuan Yin oolong offers toasted notes of wood and stone-fruits with caramel sweetness.
